SECTION #2 – VOLUNTEER DOCUMENTATION FORM

Applicants to the Coordinated Program in Dietetics (CP) are required to complete a minimum of 24 hours of volunteering at a venue of their choice, preferably related to nutrition, food or health care. These hours must be completed post-high school and most occur within 5 years of applying. If you have more than 24 hours, please submit documentation of all completed hours.

Complete a separate form for each volunteer experience.
