

Reference Map for Securing Distance Preceptors

This pertains to all distance-online applicants who are applying to the Coordinated Program in Dietetics. If you reside in Michigan or Ohio, Supervised Practice Experience sites must be secured **outside** of the **red circle radius** shown above. All sites within the circle are for our on-campus program only.

Questions may be directed to Diane Reynolds, RD- Dietetics Clinical Coordinator at dreynol2@emich.edu
